Welcome Pack 2026/27

Skewen Football Club - Mission Statement

Skewen Football Club - Established in collaboration with Skewen Cricket Club in the summer of 2024.

Skewen Football Club aims to work in conjunction with Coedffranc Town Council to deliver a rewarding and enjoyable sporting experience for children and adults alike. Our mission at Skewen Football Club is to instil a lifelong passion for football in every participant by cultivating an inclusive, supportive, and enjoyable atmosphere where all participants can excel.

We hold the belief that football should be a source of enjoyment where lifelong friendships can be formed, where the experience of playing is as important as the pursuit of victory. The club is devoted to ensuring that every participant, irrespective of their background or skill level, feels appreciated and included. In unity, we motivate our young athletes to develop, honour the sport, and embrace the joy that football brings.

Football, Fun, For Everyone!

Player Membership

For the 2026/27 season, the club has established a two-tier pricing structure for monthly membership fees, which corresponds to the three stages of player development. Seniors, for individuals aged 18 and older; Mini & Juniors, encompassing age groups from Under 5 to Youth; and Tots; for those aged Under 4 and younger.

Membership fees are designed to minimise missed payments which can often occur when paying individually for training/matchday subs. Consequently, once the registration fee has been paid in August, there are no additional singular payments which will be requested throughout the season.

Skewen FC is committed to providing all children with the opportunity to participate in football and understands the financial challenges faced by families with multiple children, as monthly membership costs can accumulate quickly. To combat this we have opted to introduce a 'Family Membership'. This family membership will cater to families where more than one child is registered with Skewen FC, instead of paying singularly for each child, one monthly payment will be made and will cover the participation of all children within that family, regardless of number i.e. 2, 3, 4, 5 children the cost remains the same.

For clarity, the following items are included in both registration and monthly fees:

- Player Registration Costs
- All training fees
- Hire of training venues
- Coach Development
- Club Maintenance
- Club Insurances
- All Matchday Fees
- Training Equipment
- Referees Fees
- League and County Affiliation Cost
- Player Insurances
- Matchday Kit
- Coach Qualifications
- Pitch Maintenance

Monthly fees are to be paid exclusively via Standing Order, unless prior arrangements have been made with the Treasurer. Payments will be collected from September 1st to July 31st, covering a total of 11 months, with no payments required in August as registration fees are due.

Membership Fees are set out below

Membership type	Age Groups	Yearly Registration (due in August)	Fees (monthly)	Family Membership (More than one child)

Safeguarding and Child Protection

The club places a high priority on safeguarding and child protection. While incidents involving parents, coaches, officials, and players that may jeopardise child welfare are infrequent, they can occur during matches or training sessions, potentially manifesting as verbal or physical altercations. In such cases, coaches are instructed to promptly inform the club Safeguarding Officer before pursuing any further actions. Upon receiving notification, the Committee will address the issue and collaborate with the coach to determine the appropriate next steps and procedures.

If there are any queries or you wish to report a safeguarding issue directly to the Safeguarding Officer please email - skewenfcsafeguarding@gmail.com
