

Acceptable use of Media Policy

Use of Digital / Video images

The use of digital / video images plays an important part in development. Athletes, coaches and volunteers may use digital cameras to record evidence of activities in sessions. These images may then be used for presentations and sponsorship. Images may also be used to celebrate success through publication of newsletters, websites and social media.

Skewen FC will comply with the data protection act and request parents /carers permissions before taking images of the participant(s). Skewen FC will also ensure that when images are published that the person(s) cannot be identified using their full names.

In accordance with the guidance from the information commissioner's office, Parents/ carers are welcome to take videos and digital images of their own children at Skewen FC events for their own personal use. To respect everyone's privacy and in some cases protection, these images should not be published/made publicly available on social media networking sites, nor should parents/Carers comment on any activities involving other pupils in the digital /video images.

Parents /carers are requested to sign the permissions below, to allow Skewen FC to take and use images of their child and for the parents / carers to agree.
